## NURSES AWARD 2010 AMENDED SALARY SCHEDULE

On 2 June 2015 the Fair Work Commission Minimum Wage Panel handed down its Annual Wage Review, awarding an increase of **2.5%** to the minimum salary rates contained in all Modern Awards.

The new minimum rates of pay must be applied as of the first full pay period commencing (1st PPC) on or after 1 July 2015.

*Practices are advised that where an employee is in receipt of a salary which is in excess (over award) of the Minimum Award Rate as set out in the Award then this increase as determined by the Fair Work Australia Minimum Wage Review Panel can be absorbed into that over award payment. This means that you do not have to automatically apply an increase to your current rates of pay, but should only do so where they no longer meet the new minima.*

Attached for your information and use is an updated Salary Schedule applicable to Clerical and Support Staff employed under the Nurses Award 2010.

Please note that the attached rates apply only to federal system employers, not sole traders, partnerships of individuals or other unincorporated entities.

Other increases to allowances in the Award will be published in due course. A complete copy of the current award can be found at

We recommend that you download a current version after 1 July 2015, containing all amendments.
