5	Friday	8:00 AM	Friday	6:00 PM

- (g) The Duty Rosters do not operate on weekends or Public Holidays.

**On Call Orthopaedic Trauma Roster**

- (h) There is one On Call Orthopaedic Trauma Roster (On Call Roster) for SCGH and one for RPH and one for PMH and one for FSH.
- (i) There is at least one On Call Orthopaedic Surgeon Trauma (On Call Surgeon) rostered on call for SCGH and one for RPH and one for PMH and one for FSH.
- (j) Additional Surgeons are rostered On Call for SCGH and for RPH where the workload requires.
- (k) The On Call Rosters are:

Shift Number	Shift	Start	Shift	End
1	Monday	6:00 PM	Tuesday	8:00 AM
2	Tuesday	6:00 PM	Wednesday	8:00 AM
3	Wednesday	6:00 PM	Thursday	8:00 AM
4	Thursday	6:00 PM	Friday	8:00 AM
5	Friday	6:00 PM	Saturday	8:00 AM
6	Saturday	8:00 AM	Saturday	6:00 PM
7	Saturday	6:00 PM	Sunday	8:00 AM
8	Sunday	8:00 AM	Sunday	6:00 PM
9	Sunday	6:00 PM	Monday	8:00 AM

- (l) Each of the On Call Rosters operates separately.
- (m) On Call Surgeons are not ordinarily rostered On Call on more than one On Call roster at a time.
2. Provided that from the date Perth Children's Hospital (PCH) is added to the Duty Orthopaedic Trauma Roster and the On Call Orthopaedic Trauma Roster, this Agreement shall not apply at PMH and shall apply at PCH.
3. An entitlement under the Industrial Agreement to elect Arrangement A or Arrangement B is not changed by this Agreement.
4. Unless otherwise prescribed herein an entitlement to all professional development, professional expenses, private practice income and private practice cost allowances payable under the Industrial Agreement is not changed by this Agreement.

5. Clause 22. Hours of the Industrial Agreement provides:
  - (1) *Practitioners are engaged on a no-fixed hours basis consistent with professional practice and are rostered accordingly.*
  - (2) (a) *The ordinary full time professional commitment is an average of 40 hours per week and shall be rostered in accordance with health service needs and may be rostered over less than five days per week.*
6. Clause 23. Sessional Practitioners of the Industrial Agreement provides:
  - (1) *Sessional Practitioners are part-time practitioners appointed for a specified number of sessions per week and are rostered accordingly.*
  - (2) (a) *One session is equal to one tenth of a full-time professional commitment and can be a continuous working period or be made up of any combination of part sessions.*
7. This Agreement provides for the professional commitment of:
  - (i) *Sessional Practitioners to be acquitted as a combination of a number of rostered 10 hour fixed shifts as Duty Surgeon and a number of ordinary no fixed hours sessions.*
  - (ii) *Full-time and Part-time Practitioners to be acquitted as a combination of rostered 10 hour fixed shifts as Duty Surgeon and a balance of ordinary no fixed hours.*
8. *A Practitioners professional commitment includes elective, outpatients, pre operative, teaching, non clinical and trauma sessions.*
9. *This Agreement does not replace the Industrial Agreement but to the extent of any inconsistency this Agreement overrides the Industrial Agreement.*
10. *For the purposes of Clause 29 - Private Practice - Arrangement B of the Industrial Agreement, and without prejudice to any future Agreements 100% of private practice earnings shall be retained by the Practitioner for the life of this Agreement.*
11. *The Employer has determined, for the purposes of Clause 29 - Private Practice - Arrangement B of the Industrial Agreement and without prejudice to any future determination which may or may not be recorded in an agreement that replaces this Agreement, that the prescribed facilities charge will be nil for the life of this Agreement.*
12. *This Agreement commences on the date it is signed by the parties and the Agreement remains in force whilst the Industrial Agreement continues to apply, provided that nothing shall prevent the parties agreeing in writing to amend or replace this Agreement during the life of the Industrial Agreement.*

13. An election to participate in both the Duty Roster and the On Call Roster can be made at any time during the life of this Agreement.
14. An election to participate in both the Duty Roster and the On Call Roster may not be withdrawn during the life of this Agreement.
15. Notwithstanding any other provision of this Agreement, where the Industrial Agreement provides that an entitlement to Shift, Weekend and Public Holiday Penalties or other penalty rate is calculated on the basis of a proportion of salary the reference salary rate shall remain the salary prescribed in the Industrial Agreement.
16. The Head of Department and each full-time Orthopaedic Surgeon will agree in writing on:
  - (i) the number and pattern of Duty Surgeon shifts to be worked; and
  - (ii) the number and pattern of On Call Shifts to be worked.
17. The Head of Department and each sessional Orthopaedic Surgeon will agree in writing on:
  - (i)
    - (a) the number and pattern of ordinary sessions and the number and pattern of Duty Surgeon shifts to be worked;
    - (b) the number and pattern of On Call Shifts to be worked; and
    - (c) the number and the pattern of ordinary sessions to be worked if this Agreement ceases to apply.
  - (ii) The number of contracted sessions for which a sessional Practitioner is engaged, immediately prior to the commencement of this Agreement does not limit what may be agreed for the purposes of this Clause.
  - (iii) Unless there is agreement to the contrary the number of ordinary sessions to be worked if this Agreement ceases to apply is the number of sessions for which the Practitioner was engaged immediately prior to the commencement of this Agreement.
18. Hours worked under this Agreement shall count for all purposes for leave accrued pursuant to Clause 23 – Sessional Practitioners subclause (8) of the Industrial Agreement in perpetuity.
19. When a Practitioner proceeds on any form of leave on a day that the Practitioner would otherwise have been rostered to work as a Duty Surgeon, the Practitioner shall be paid as if the Practitioner had worked that day.

34. The flat rate On Call and Call Back allowances are paid in substitution for all On Call and Call Back allowances and for Shift, Weekend or Public Holiday Penalties which might otherwise be payable under the Industrial Agreement for the Practitioners' rostered periods under this Agreement.
35. In extenuating circumstances, with the agreement of the On Call Surgeon, short term cover may be provided on an ad hoc basis by the surgeon across more than one on call roster. The Practitioner will be paid at the rate of 150% of the relevant rate. Payment for Call Backs at other than the Practitioners usual roster shall commence from the time the Practitioner embarks on the journey to work.

#### **PART 4: DUTY SURGEON – SERVICE COMMITMENTS**

36. Duty Roster cover will be rostered by the Head of Department. The roster will be developed in consultation with staff and consistent with the parameters agreed as per Clause 16 and 17 of this Agreement. Duty Roster cover will be exclusive on site presence during the rostered period as a Duty Roster at the rostering hospital (8am to 6pm). When so rostered Duty Surgeons will:
- (i) Withdraw from any other commitments in the public or private sector whilst providing Duty Cover.
  - (ii) Attend the hospital as rostered (8am to 6pm), and as Consultant oversee or manage the care of Orthopaedic Trauma surgical emergency patients awaiting review, referral, definitive management, treatment and surgery. Supervise and conduct a ward round of all Orthopaedic Trauma surgical emergency patients requiring review within the hospital during the period rostered as the duty surgeon (8am to 6pm).
  - (iii) Where practicable, take responsibility for the management of all Orthopaedic Trauma surgical Emergency patients admitted during the rostered period as the Duty Surgeon whether coming in during the period rostered, or having being admitted previously, and those referred by another unit, requiring emergency management or surgery during that period.
  - (iv) Where practicable take to theatre all Orthopaedic Trauma surgical emergency cases which are ready for, or deemed necessary for surgery during the period, and oversee

(including where required calling in another surgeon), or perform these operations during that period, on site.

- (v) Supervise on site the running of the Orthopaedic Trauma surgery lists at the hospital.
  - (vi) Provide a handover of Orthopaedic Trauma surgical patients requiring emergency care, or concern, as appropriate to the next shift consultant at the end of the Duty Surgeon shift.
  - (vii) Review Orthopaedic Trauma surgical referrals that may occur on the day in a timely fashion, give a written or oral opinion, or take over care from the referring unit where appropriate.
  - (viii) Take over care of any patient that falls within the Orthopaedic Trauma Surgeon's area of surgical expertise as agreed with the referring team.
37. Where the Head of Department is satisfied that a Duty Surgeon must leave the hospital in order to personally attend to a clinical emergency at another facility, (i.e. where there is a clear and present danger of loss of life or limb) the Head of Department will release the Duty Surgeon from duty for the period reasonably required to attend to the emergency.

#### **PART 5: ON CALL SURGEON – SERVICE COMMITMENTS**

38. On Call roster cover will be rostered by the Head of Department. The roster will be developed in consultation with staff and consistent with the parameters agreed as per Clause 16 and 17 of this Agreement. When so rostered On Call Surgeons will:
- (i) Withdraw from any other On Call or availability arrangements in the public sector subject to Clause 33 and in the private sector whilst providing On Call Roster cover.
  - (ii) Attend as appropriate the hospital when recalled by a Registrar or Consultant at the hospital.
  - (iii) Take responsibility for the management of all Orthopaedic Trauma Surgery cases whether coming in during the period On Call, or having being admitted previously and those referred by another unit, requiring management or surgery during the that period.
  - (iv) Where practicable, take to theatre all Orthopaedic Trauma Surgery cases which are ready for, or deemed necessary for surgery during that period and oversee including where required calling in another Surgeon, or perform these operations during that period.
  - (v) When rostered On Call on a weekend, the Practitioner will conduct a daily ward round of all Orthopaedic Trauma, Elective and Referred (unless another Surgeon specifically stipulates they will review their own elective patients over the weekend) Orthopaedic Surgery patients at the hospital needing clinical review, management, treatment and surgery by the On Call Surgeon.
39. Routine weekend ward rounds will be paid as a Call Back.
40. The service obligations on public holidays are the same as those for weekends.

## PART 6: EMPLOYER OBLIGATIONS

41. Clause 31 - Staffing of the Industrial Agreement provides:
- (1) Practitioner staffing levels shall be determined by the employer, having regard to contemporary benchmarking and best practice parameters.
  - (2) Where a practitioner:
    - (a) resigns, is terminated, transfers or otherwise vacates a position; and
    - (b) the employer determines that the position will be filled,action to fill the vacancy shall be commenced, in consultation with the Head of Department, as soon as reasonably practicable.
42. The Head of Department may, subject to Clause 54 - Dispute Settling Procedures of the Industrial Agreement, suspend the application of these arrangements to an individual Practitioner if satisfied that the Practitioner is not sustaining participation in the Orthopaedics Trauma Roster. In this event the prevailing Industrial Agreement will apply in lieu of these arrangements.
43. Clause 53 - Introduction of Change and 54 - Dispute Settling Procedures of the Industrial Agreement apply. Accordingly any disputes and any major change will be addressed by the parties in accordance with those provisions.
