The AMA (WA)

Charity Golf Day

Mount Lawley Golf Club, Friday 22 March 2024

Sponsorship Prospectus

We are delighted to present the AMA (WA) 2024 Charity Golf Day Sponsorship Prospectus

Enjoy a day on the green and help raise funds for the AMA (WA) Foundation and Dr YES, supporting young people in Western Australia with health and mental health issues.

Join us as we bring together members of the business and medical communities to become part of something bigger. The event emphasises the values of connection, commitment, and care, all while enjoying a round of golf.

So, choose the package that best suits you and let's make a difference together.

YES! That's why we do this every year

Every year we help make a positive impact on the community, and support the invaluable youth education work of Dr YES.

Dr YES is a transformative program in which medical students conduct harm minimisation sessions in both metropolitan and rural high schools.

Your participation directly assists outreach efforts aimed at addressing the significant challenges faced by young people today, such as alcohol and drugs, mental health, and sexual health.

Exciting new venue for 2024

This year we are excited to be heading to the prestigious 18-hole private **Mount Lawley Golf Club**, situated only 10 minutes from Perth CBD, offering a layout that is both challenging and enjoyable.

We're inviting golfers (or non-golfers!) of every skill level to take part. A new venue and a fresh start.
